Subject: Loss - theft of Government articles - report submitted.

The Range Officer, Udipi reports the theft of some records and Government articles which were in possession of the Forest Guard of Kervashe beat. The records include the Rest house book of Kervashe Rest House The Guard states that he kept all these records and articles in the out-house attached to the Rest house, that he went to Karkal on 17-7-1938 to give his weekly diary to the Forester, and that when he returned to Kervashe on 18-7-1938 he found the outhouse broken open by breaking the lock and the articles and records stolen. He further states that his private articles have also been stolen. The Range Officer has reported about the theft to the Police and the result of the Police investigation is awaited

I have asked the Range Officer to report the value of the Government articles lost. The value will not, however, exceed Rs.200/- but will be much less Therefore I have not reported about the theft to the Accountant-General. I shall submit my further report to the Conservator in the matter on receipt of the Range Officer's report.

Station Madras., *Dated the* 16th December 1938.

From (Name) Diwan Bahadur Dr. S. Sundara Raj, M.A., Ph.D.,
(Designation) Director of Fisheries,

To The Secretary to the Government of Madras,
Development Department.

Sir,

A statement showing the strength and average attendance of the Kodi school from February to October 1938 is enclosed. It will be observed that since February the strength and attendance have improved. The Junior Deputy Inspector of Schools, Udipi Range, who visited the school on 12-9-1938 has made the following remarks.

"For five standards with a total strength of 86, two teachers are not at all sufficient, if efficient work is to be expected. A third teacher is, therefore, quite necessary. This need was pointed out even at the time of the annual inspection in March last. The same

remark was also made by the Fisheries Inspector about the same time. The same strength continues, and the daily ~~xxxxxxxx~~ attendance also is fairly regular. The need of a third teacher exists now also, the earlier it is fulfilled the better in the interests of the school."

2. Since the strength and the average attendance of the Kodi school from May to October 1937 were not satisfactory, the post of the third teacher in the school was kept in abeyance with effect from 8-1-1938 -- vide my letter No.3403-C/38-1 dated 6-12-1937. In my letter No.2714-C/38-1 dated 24-9-1938, I have stated that one more additional teacher would be necessary for this school in 1939-40.

3. In view of the remarks of the Junior Deputy Inspector of Schools and the fact that the need for a third teacher is now felt, I request that you will be so good as to obtain the sanction of Government for the immediate employment of a third teacher in the Kodi school.

I have the honour to be,

Sir,

Your most obedient servant,

B. Sundara Raj

Director of Fisheries.
